

FACTSHEET

جواهر
JAWAHER RESIDENCES

DESCRIPTION

Jawaher Residences is the latest addition to the exquisite Maryam Island beachfront community, nestled near the waterfront promenade and the beach. The elegantly designed 9 storey building has 198 units, ranging from studio to four-bedroom apartments, offering residents convenient access to the waterfront, cafes, and scenic green spaces.

Designed for residents of all ages, Jawaher Residences also promises direct access to a range of amenities such as a dedicated swimming pool, kids pool, kids play area, and a landscaped podium space with ample seating areas. The building is located across the picturesque Al Khan lagoon with views of the scenic Maryam Island boulevard and offering easy accessibility from the corniche road.

Freehold Ownership for all nationals.

ARCHITECTURAL HIGHLIGHTS

Jawaher Residences blend seamlessly with the architecture of Maryam Island Masterplan. It is inspired by the region's traditional architecture, and uses a simple walled architectural style with a refined and subtle colour palette of beige and browns to create a contemporary interpretation.

The interior spaces are a unique blend of sophisticated modern design with warm and cosy natural elements, that work in harmony to create a dream home for families and couples alike.
